(Summary) Tel Aviv--Martin Bormann, Hitler's heir, is living in the United States and has organized a vast neo-Nazi organization, according to a report tonight in the Israeli paper YEDIOT ACHRONOT..

The paper publishes photostatic copies of secret letters tending to expose the clandestine activities of this organization in North America in recent years. The paper also declares that, according to these letters, Johannes (von Leers?) a former aide of Goebbels, and presently propaganda chief of the UMR, is one of the leaders of this secret organization, which apparently has branches in South America, Spain, Sweden, and West Germany. All the letters end with the traditional Nazi slogan: Heil Hitler.
